

Corona,
Biden and
Brexit:
Effects on
Danish EU-
attitudes

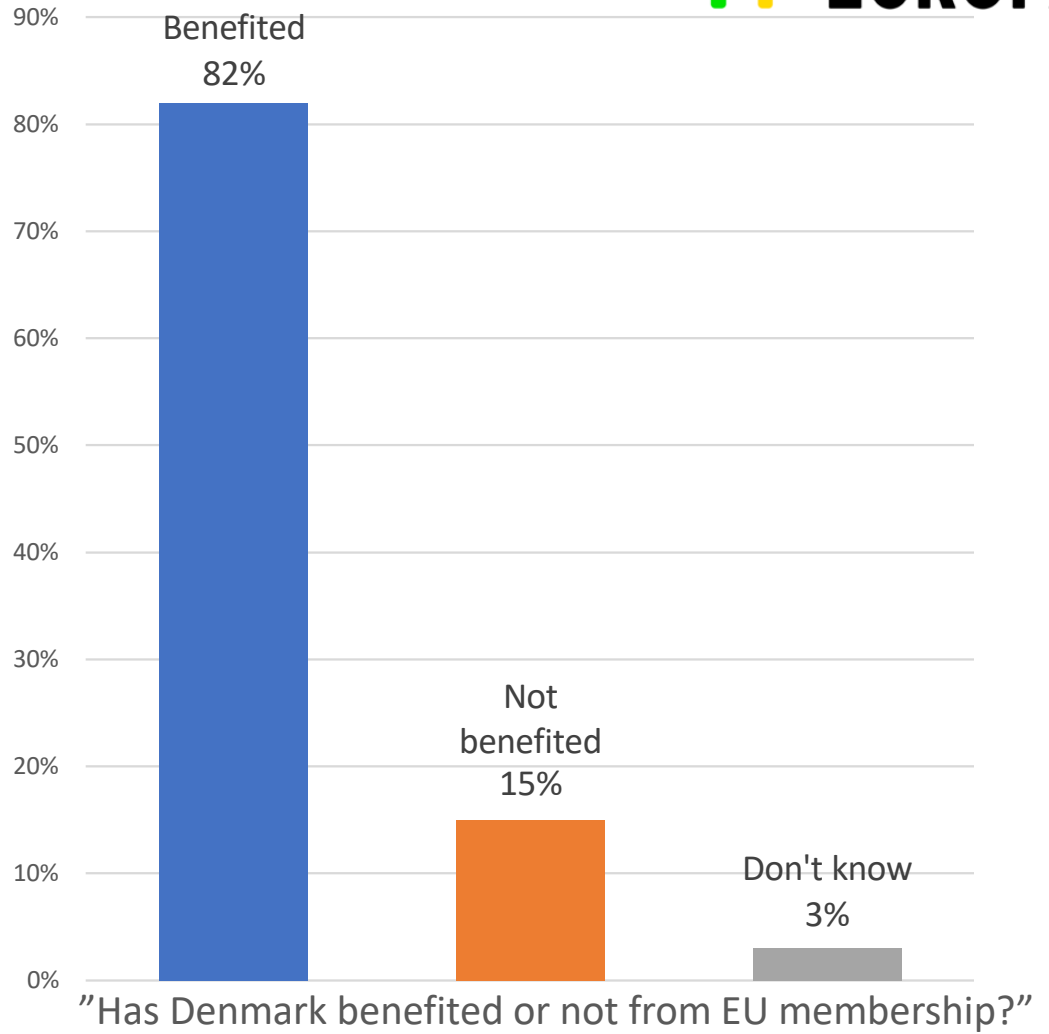

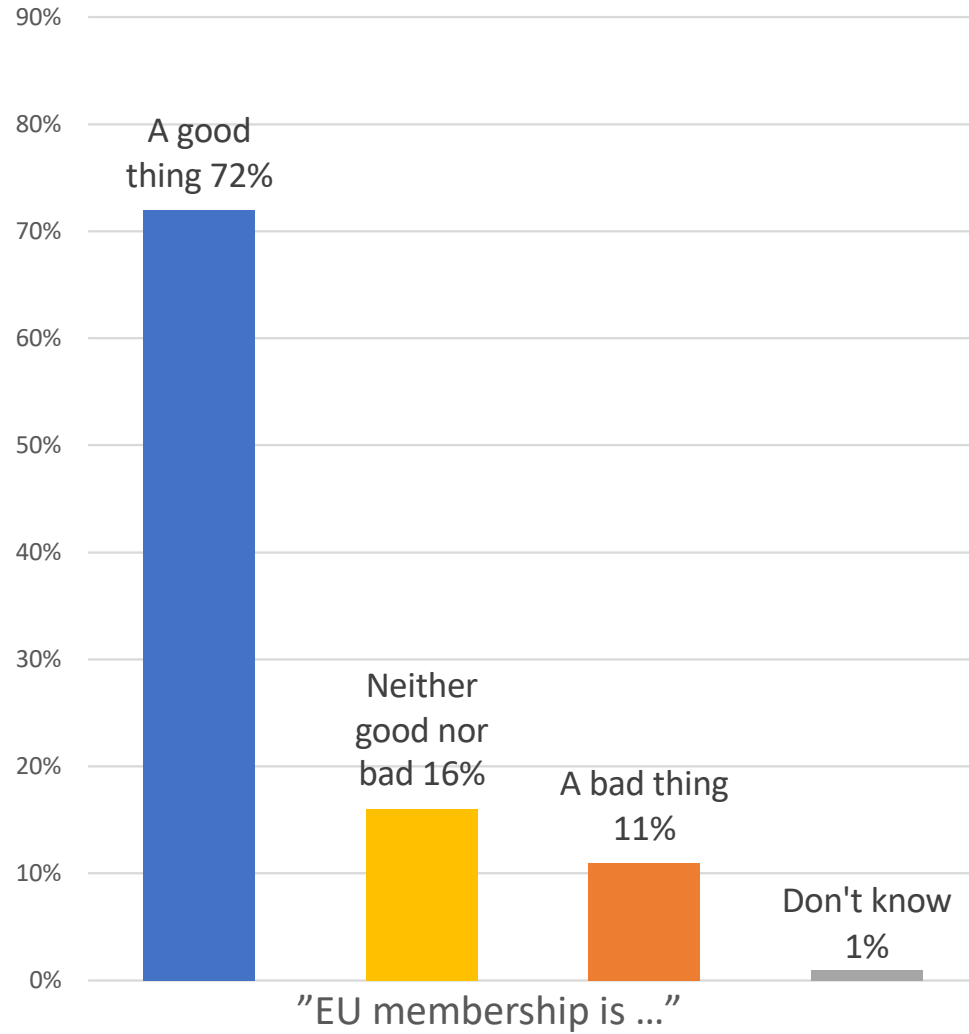

Presentation by Deputy Director, Catharina Sørensen

BREXIT

To what extent do you think that Brexit will inspire Denmark to also leave the EU?

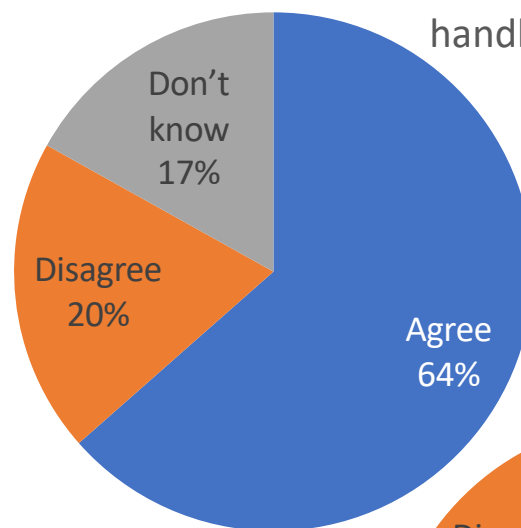

REACTIONS TO EU COVID-19 ACTIONS

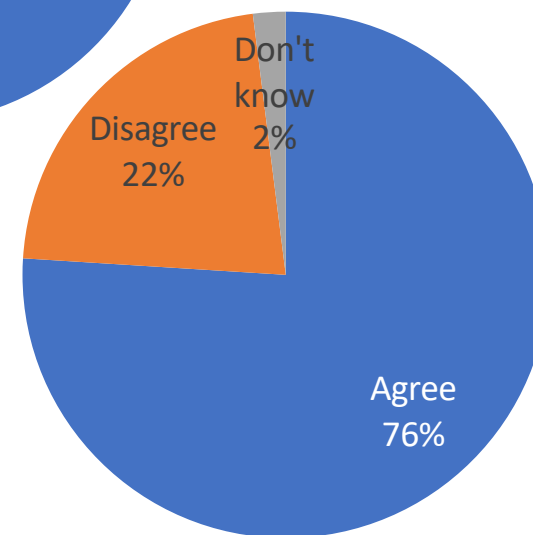

“Denmark could have had more **Covid-19 vaccines**, if we had not taken part in the EU’s vaccine cooperation”

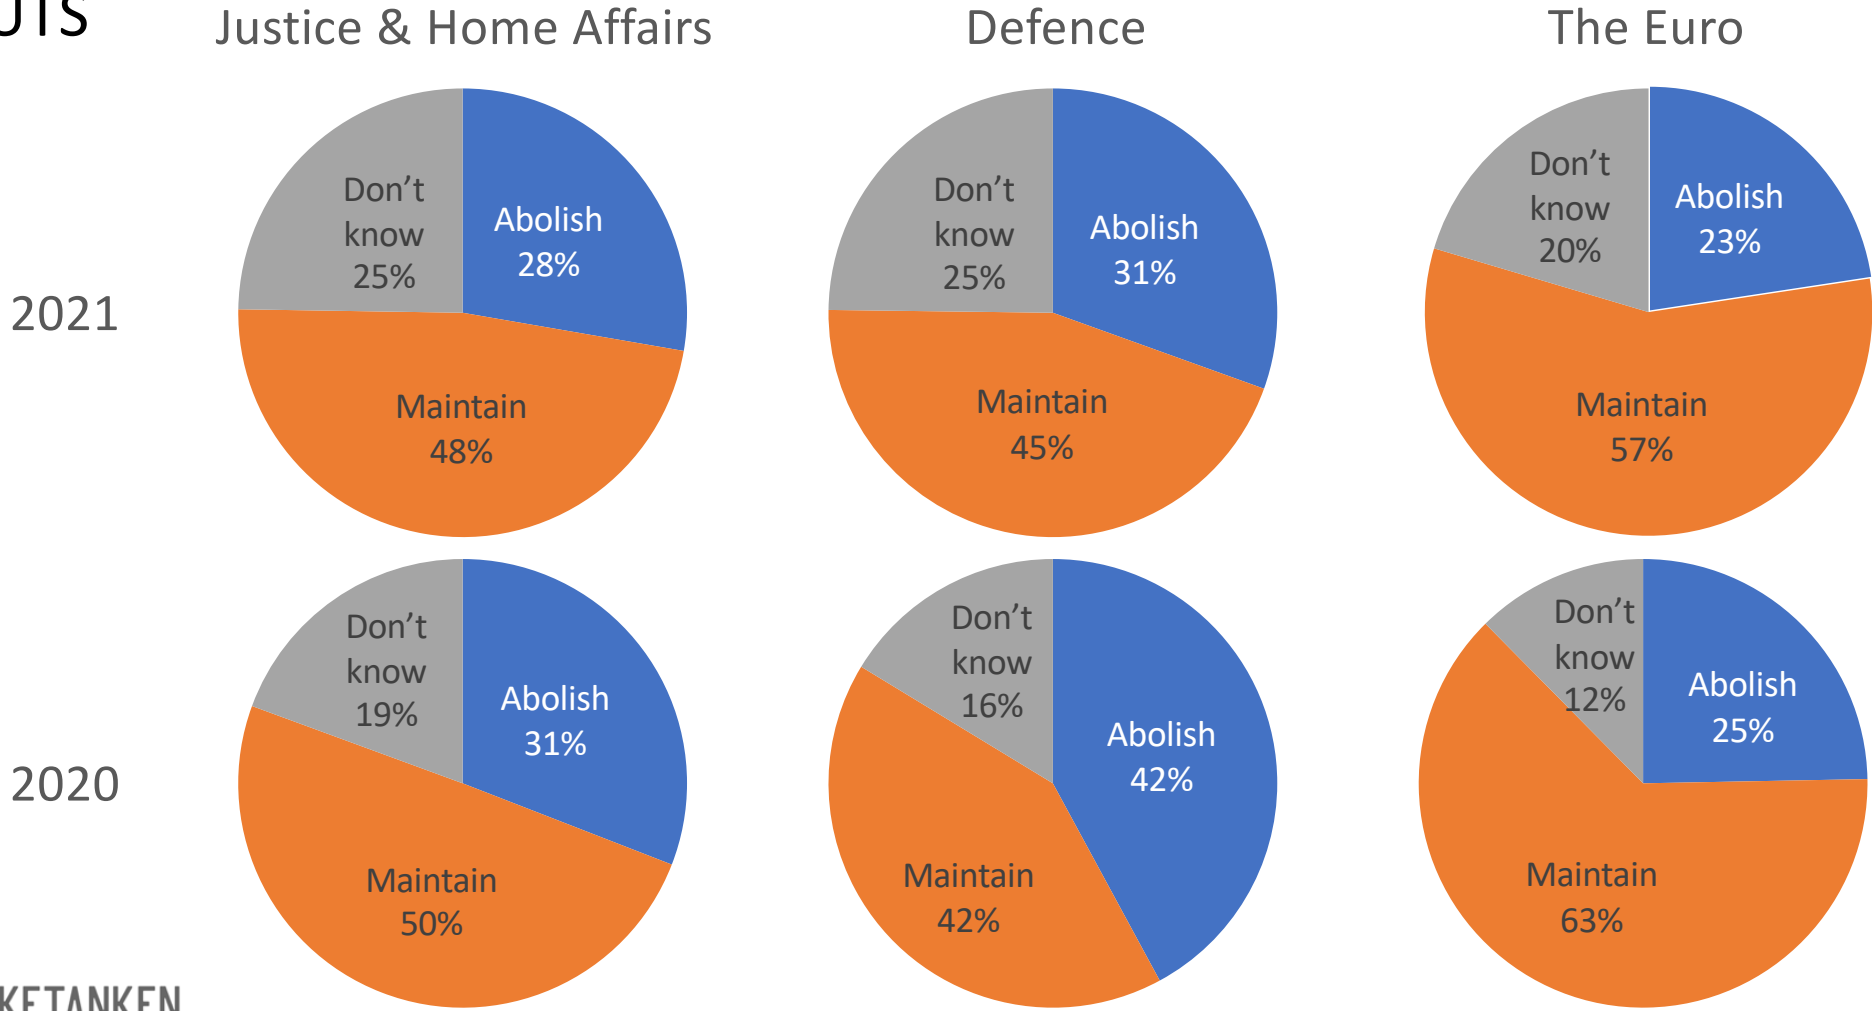

“The **EU should have more tools** to handle pandemics, like Covid-19”

“The **EU’s recovery plan will allow Denmark’s economy to recover more rapidly** from negative effects of the coronavirus pandemic”*

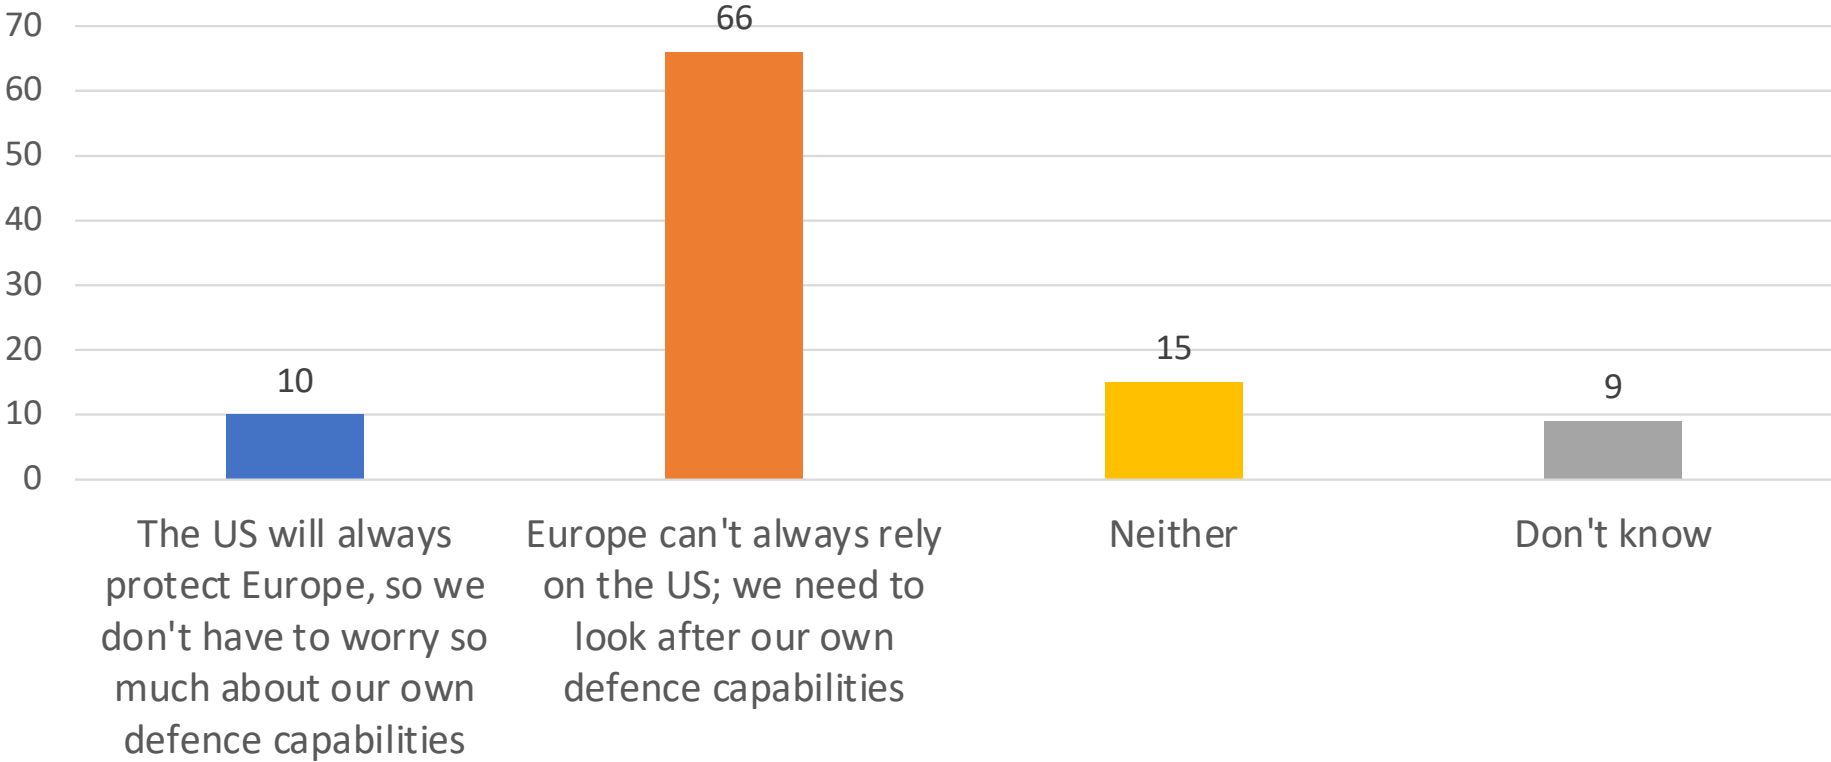

DENMARK'S OPT-OUTS

"If a referendum was held tomorrow, would you vote to abolish or maintain the opt-out on ..."

RELY ON US?

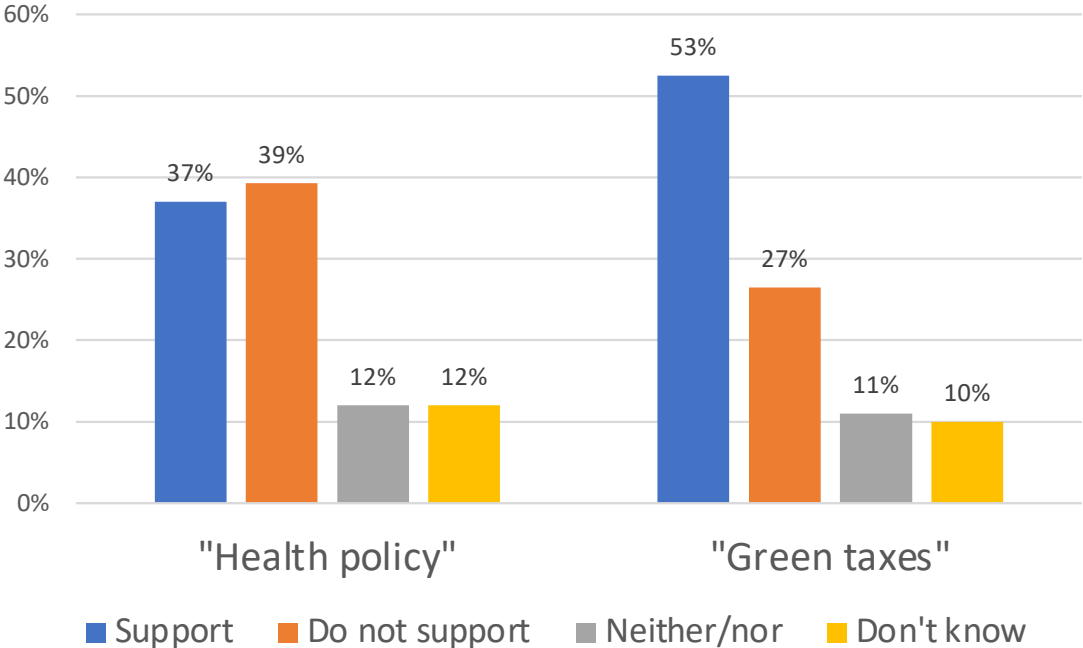

Source: YouGov for ECFR & Think Tank EUROPA 2021

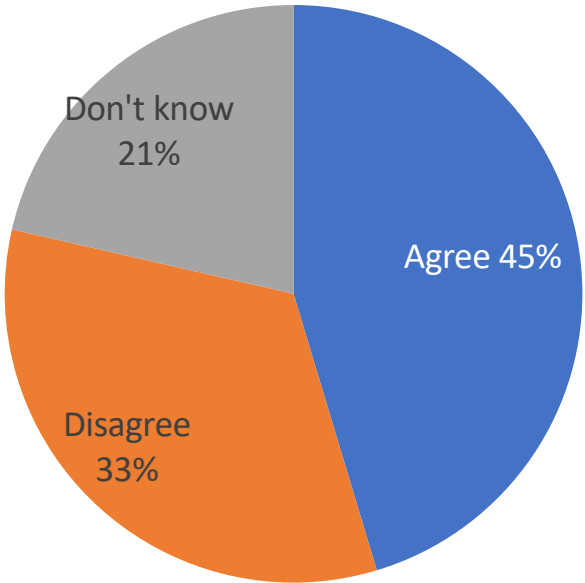

THE EU AFTER COVID-19

Support for EU-legislation

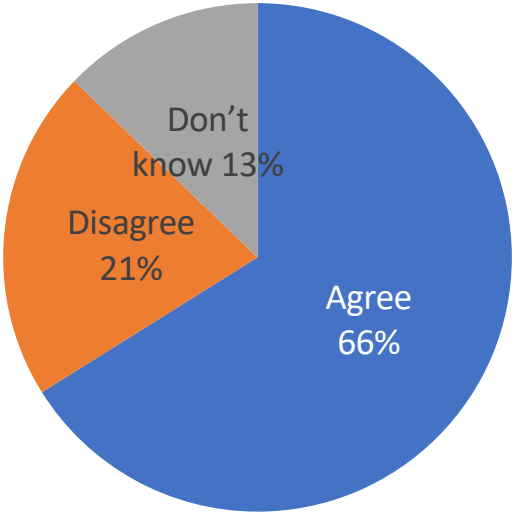

"Denmark needs the EU to reach its target of 70% Co2-reduction by 2030"

RESHORING AMBITIONS

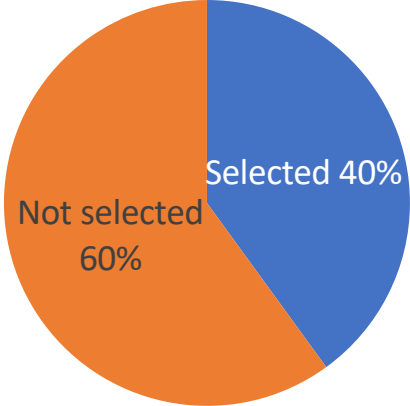

“Companies in Denmark and the rest of the EU should bring production back from China, even if it means higher prices”

FEBRUARY 2021

“Companies should produce more medical supplies in the EU, even if it means higher prices”*

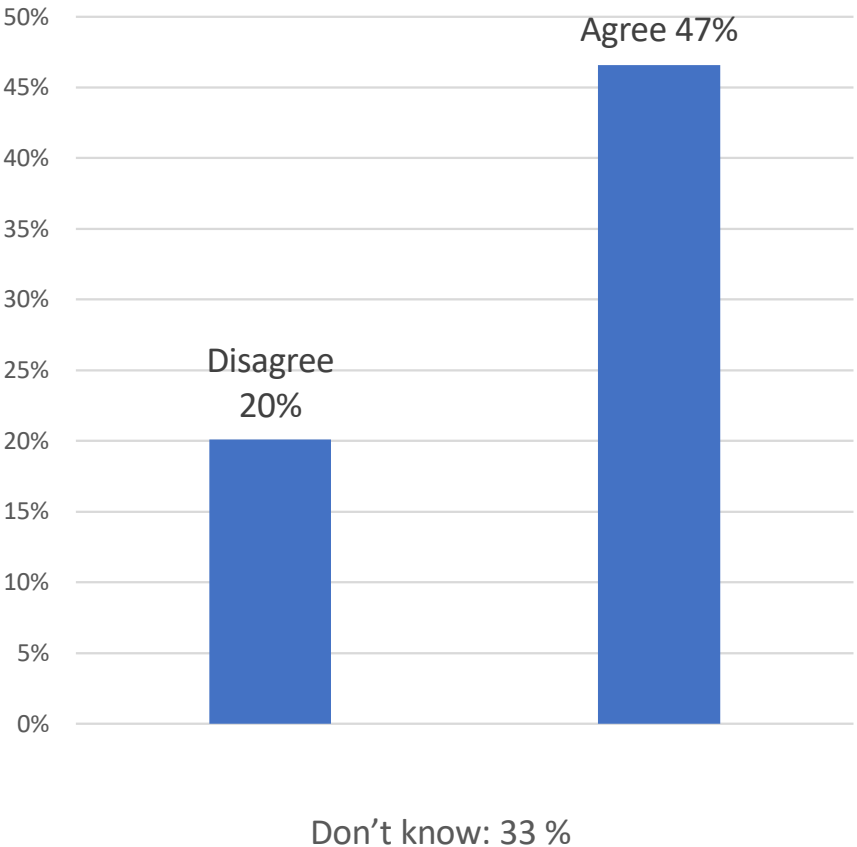

APRIL 2020

* ECFR and Think Tank EUROPA 2020. Don't know: 10%

A BUDGET CHALLENGE

“The EU’s budget is much too big”

Roughly how big a share of member state GDP do you think that the EU’s budget takes up?
